1 Introduction

This is an introduction to the report.

Harvard style references are to be used, i.e., Martin (2013) where author's name appears in the text, or (Martin, 2013) where author's name is not cited explicitly in the text. All references should be listed in alphabetical order at the end of the paper. Please follow the pattern given under Section 7: References.

- 2 Evolving needs in the built environment market
- 2.1 Sub heading 1
- 2.2 Sub heading 2
- 3 Need for energetically and ecologically sustainable, affordable and healthy built environment
- 3.1 Sub heading 1
- 3.2 Sub heading 2
- 4 Analysis of existing BSc, MSc and PhD study programmes in promoting energetically and ecologically sustainable, affordable and healthy built environment
- 4.1 Sub heading 1
- 4.2 Sub heading 2
- 5 Recommended themes for BSc, MSc and PhD modules
- 5.1 Themes for Bsc/specialists modules
- 5.2 Themes for Msc modules
- **5.3 Themes for PhD modules**

6 Conclusions

This section will conclude the report.

7 References

Use author / date approach here, such as the Harvard system or similar. See below for examples
